CHICAGO GRAIN MARKET.

CHICAGO, April 26,-[Special Telegram.]-WHEAT-The market lagged and sagged today. It opened weak and 1/c lower, and hung around the opening point most of the forenoon, the range of the fluctuations up to 12 o'clock being %c. The principal cause of weakness could be found in estimates that the decrease in the visible supply would not exceed 1,000,000 to 1,250,000 bushels, the still unsettled state of labor, and the falling off of export inquiry. There was talk of buying by heavy local operators, but it could not be seen in the pit, and the tone continued duli and heavy to the close. By 12:30 o'clock the price was Ic under Saturday's close and about below "put" price. Unusual cau-in expressing opinions as statement of stocks now due was a distinguishing trait to-day, statisticians not caring to imperil their reputation by making guesses that might be ridiculously wide of the mark. The bulls were generally disposed to get on the safe side by making their estimates low, and the revised figures ranged from 750,000 to 2,000,-000 bushels. King, of Toledo, telegraphed the probable figure at 1.250,000 bushels. During the last half or three-quarters of an hour of the end of the morning session, the market was subject to increased pressure. The bears made a united drive at it, and were as-

within 3c of the bottom for June. CORN-Corn lost 3/c this morning and some animation in speculation was observable at times. The local scalping crowd and the representatives of two or three corn houses did the trading. There was a good deal of changing over.

OATS-Oats were quiet and unchanged in Provisions-Provisions continued dull,

and in the main steady. The changes in prices that are noted, however, are in the direction of lower values. Brokers and packers are engaged in looking after their May trade. AFTERNOON BOARD-Wheat started in

weak and lower, but rallied on buying against "puts" by privilege brokers, and closed slightly higher than at 1 o'clock. There was no change of consequence in the other 2:40 p. m.-Puts on June wheat, 801/sc;

calls, 81%c. Chandler-Brown Co,'s Report.

The following report is furnished by Chandler Brown Co., of Chicago and Milwau-Wheat opened easy and gradually declined

throughout the morning session. Estimates on the visible decrease were conflicting, being from 1,000,000 to 1,700,000 bushels. Corn weak, in sympathy with wheat,

CHICAGO LIVE STOCK.

CHICAGO, April 26.—[Special Telegram.] CATTLE—The receipts to-day were compara-tively light. The market was not active, but prices were generally stronger. Prices were 10c higher on desirable stock, and the low grades sold more readily than at the close of last week. Had the market been active the light supply would have been cleared at 10 o'clock, but as it was there were numerous lots unsold at 2 o'clock. Little cattle sold better to-day fhan last Friday, as there were not many Texas cattle to supply the demand for handy light stock. Other markets were in fairly good shape to-day. Jersey City and Liverpool markets were steady. At Kansas City cattle sold 5@10c higher in sympathy with reports from Chicago. Thirty-seven Colorados, 1,135 lbs, \$4.55; 114 Wyomings, 1,250 lbs, \$5,00. Shipping steers, 1,350 to 1,500 lbs, \$5.20@5.75; 1,200 to 1,350 lbs, \$4.85@5.35; 950 to 1.200 lbs, \$4.00@5.15. French, Crete, Neb., marketed 192 cattle, 1,222 lbs, at \$5.10; also twenty-six head of 876 lb yearlings at \$4.50. John Hastle, Auburn, Neb., had in six cars of cattle and received satisfactory

OMAHA LIVE STOCK.

Monday Evening, April 26.

The receipts of cattle were the same to-day as on Monday a week ag. As usual on the first of the week, the market was very quiet; everything was sold early in the day, and both buyers and salesmen went away, giving the yards a very deserted appearance in the afternoon. Values remain about steady at Saturday's quotations. The supply of all kinds of fat cattle falls far short of the demand. Quotations for to-day were: Choice to extra steers, averaging 1.350 to 1,450 pounds, \$4.85a25.00; geod, averaging 1,200 to 1,300 pounds, \$4.85a25.00; geod, averaging 1,200 to 1,300 pounds, \$4.35a4.50; fat, little steers, 1,000 to 1,150 pounds, \$4.50; good feeders, 900 to 1,050 pounds, \$3.65a3.50; good to choice cows and heifers, averaging 100 to 1200, \$3.50a3.75; medium, averaging \$00 to 1000, \$2.50a3.75; choice to extra bulls, averaging 1500 to 2000, \$3.00a2.75; choice to extra bulls, averaging 1200 to 1500, \$2.50a3.75; choice to extra bulls, averaging 1200 to 1500, \$2.50a3.75; choice to extra bulls, averaging 1200 to 1500, \$2.50a3.75; choice to extra stags, \$8.00a3.75.

3.25; common, averaging 1200 to 1500, \$2.50 g 2.75; choice to extra stags, \$3.00 g3.75.

The hog market continued steady at Sat-urday's quotations, there being little or no change in values. The receipts were very light, and everything met with ready sale. The week opens with a very fair prospect for a good market during the balance of the week. Choice light and meanum weights, \$3.75 g 3.80; choice heavy, \$3.70 g3.75; good to choice mixed. \$3.60 g3.70; common rough grades at \$3.45 g3.50.

The arrivals of sheep are light. Market steady, and good selling at \$4.00 g5.60.
